The Hawks had the most successful season of the school's history by finishing second in the Mayflower League, and rated 15th in the Division IV, State Standings.

It was a year of surprises - with four senior, the team exceeded everybody's expectations. Next year should even be better because of the 36 returning players from this year's squad.

Ed Nelson was the leading scorer, gaining 106 points and rolling up 1,207 yards rushing. Captain Paul Gurley came into his own and displayed poise and leadership at the quarterback position. Tom Connolly, also Captain, along with Mike Miranda, held down the tackle spots which enabled the backs like Nelson, Brodie, Birk and company to run for big yardage.

The surprise of the year was senior Paul Pushee, who came out for the first time and was a "bear" on defense. A very versatile athlete, Paul could be placed anywhere on offense and defense.

The Team was one which showed great spirit and next year's team has decided to dedicate their season to the seniors.

The first J.V. team in the school's history led by the running of Most Valuable Player Award Winner Chuck Willett and Quarterback Tom Bodio, displayed power and speed. "Mini-Mack" Walter Tourinho - 5'1" tall and 109 lbs. - was a very gutty runner. Linemen like Ed Lodge, John Svirsky and John Francis showed the fans that they will be assets to next year's varsity team.

The team won four games and lost two. Many of the J.V. players played frequently with the Varsity players as well.

Jack McMenimin, Edward Therrien, Billy Diliddo and Charley Birk were standouts for both the Varsity and J.V. teams.
